

15. EDUCATIONAL VISITS

The school has a strong commitment to the added value of learning beyond the statutory school day and beyond the school premises. Each year the school will arrange a number of activities that take place off the school site and/or out of school hours, which support the aims of the school as identified in the Strategic and Development Plans.

The Governing Body has approved an 'Educational Visits Policy', outlining its aims and the controls it has put in place. This can be viewed on the school's website under the *About Us* section, in the *Policies* sub-folder. Please see the link below:

Specific Trips & Visits

The range of specific activities are summarised on the school website under the *Parents* section. An attachment, *Trip Information* contains information, by year group covering type of trip, subject link (where appropriate) and approximate cost. Please see the link below:

Specific information relating to each activity is emailed to students, parents and carers in advance. This will include costs associated with the activity, and where appropriate a payment timetable.

The Expectations of Students and Parents

The school has a clear code of conduct for school visits based on the school's 'Behaviour for Learning Policy'. This code of conduct is an automatic and integral part of the condition of any booking by parents/carers, and includes the potential of withdrawal of a student prior to and during the visit if such conduct would have led to a fixed term exclusion from school. The school will inform parents/carers of the associated costs involved in this process at the time a decision is made.

Financial Assistance

Please see the separate section in the Parent & Student Information Pack.
